

Past, present, future

Past starts today

- Services developed
 - Assessments
 - Mobility support
- Materials collected
 - Good practices
 - Professional development offers
 - Previous project results
- Community started

Today is today

- Still we face high levels of youth unemployment
- Still we face serious levels of dropouts and disadvantaged
- Still we face challenges to connect education to labour market needs

Today is today

- Still we see teachers/trainers with high levels of engagement
- Still we find youngsters who want to challenge themselves
- Still we experience that new methods and tools are developed

The future starts today

- A continuous development culture for teachers/trainers is needed
- Educational efforts combine f2f and digitalization/gamification
- Towards a “24/7 European service area of online learning”

The future starts today

- Celebrate www.secondchanceeducation.eu
- Continue the development
 - Service!
 - Education!
 - Europe!

The future starts today
