

Participation in European projects

Why?

- Input from outside
- Additional resources
- Reflection

E2C as easy entrance to European Projects

about 35 active members all over Europe

each member with its own network f.e. France network about 100 members

Germany, NRW about 60 members

Why E2C?

- the only network that deals only with Second Chance Education
- the partners have the same background and the same goal
- the challenges are the same

It is **original** EUROPEAN

1995 White Paper "Teaching and Learning: towards the learning society"

1997 "Second Chance Schools (SCS)" pilot projects

1999 E2C was established as NGO

Benefits of the DISCO Project

- Students had the opportunity of an **internship abroad**
- Teacher / social workers get a lot of support via **mobility handbook**
- SCS Schools / institutions
 - received a specialized (peer) **assessment tool**
 - discover their **good practices**
 - made experiences with **Online Trainings**
 - experiment with **social media** in the dissemination
